16	<p>Some people say there are only two genders. But there are really many genders.</p> <p>The illustration on this page depicts a woman standing at a dry-erase board. There are three young children looking at the words written on the board which read: "I am...girl, boy, both, neither, JUST ME!"</p>
18	For some people, the grown-ups guessed right about their body and their gender.
19	This is called cisgender- when someone's identity matches their sex assigned at birth.
20	These are just a few words people use: trans, genderqueer, non-binary, gender fluid, bigender, third gender, two-spirit...
